Important Information

Please allow 1-2 hours for your appointment as there could be additional diagnostic tests or procedures required.

We recommended you have a driver/carer with you as you may need to have dilating eye drops administered as part of your examination. It is common for your vision to be blurred for a few hours afterwards. Hence, it is not recommended that you drive yourself to the appointment.

Parking Information

- Limited 2-hour on-site guest parking spaces can be accessed via Wetherby Rd entrance.
- All day street parking on Sharon St, Murphy Rd, Daphne St and Kiewa St (5-min walk to the clinic)
- 2-hour street parking on Acacia St, Elizabeth St and Jackson Court (3-5 min walk to the clinic)
